

HERVOUIN Matthieu

PhD student in
computer science

10 march 1998

hervouinm@gmail.com

+33 95639944

Education

2022-2025

PhD student at LAMSADE (supervised
by Remzi Sanver)

2021-2022

Master at Université Paris Dauphine

2019-2020

Bachelor at ENS Lyon

2016

High school diploma (french
baccalaureate)

Skills

Computering: Python, OCAML, C++,
LaTeX, html

Foreign languages: English (TOEIC
score of 895), Spanish (B2 level)

Extra-Curricular

Service:

PhD representative in LAMSADE

Sports:

Rugby, Athleticism, Rock-climbing
and Calisthenics

Experience in research

- 2022-2025 PhD in Social Choice LAMSADE
Classification Aggregation, supervised by Remzi Sanver, Ali Ozkes and
Olivier Cailloux
- Summer '22 Internship, Social choice LAMSADE and Düsseldorf University
Studying sybil manipulation in hedonic games, supervised by Jérôme
Lang and Jorg Rothe
- Summer '21 Internship, Social choice LAMSADE and Warsaw University
Online algorithms for multiwinner voting, supervised by Jérôme Lang
and Piotr Skowron
- June-July'19 Internship, Fair-division CERMICS, École des Ponts, France
Dividing a discrete cake without assuming players prefer non-empty
pieces, supervised by Frédéric Meunier
- 2018 Student Project, Voting Nantes, France
Modelling of an election for diverse social-choice mechanisms (Con-
dorcet, Borda...). Evaluation of the "social-cost" for every rule.

Publications

- 2022 IJCAI Do, V., Hervouin, M., Lang, J., Skowron, P.
Online Approval Committee Elections.
- 2024 Mathematical Social Sciences Cailloux, O. Hervouin, M. Ozkes, A. Sanver, M.
Classification Aggregation without Unanimity.

Working Papers

- Online algorithms for Participatory Budgeting.
Hervouin, M. Maly, J.
Cailloux, O. Hervouin, M. Ozkes, A. Sanver, MR.
Anonymity and Neutrality in Classification Aggregation.
- Method of Equal Shares with dynamic affordability.
Hervouin, M.

Ongoing projects

- Compromise rules in claims problem.
Ertemel, S. Hervouin, M. Ozkes, A. Koc, A.
- Irresolute Classification Aggregation.
Cailloux, O. Hervouin, M. Ozkes, A. Sanver, MR.
- Multiwinner Voting with Trichotomous Ballots.
Bardal, T. Brill, M. Hervouin, M. Maly, J. Sanchez Fernandes, LS

Other professional experience

- 2022 Summer job La Rochelle, France
Employee at Carrefour (1 month)
- 2019-2020 Summer job La Rochelle, France
Summer job as barman in a restaurant
- 2016-2022 Tutoring France
Private lessons in maths & physics
- 2016-2018 Summer job Nantes, France
Organizer of summer camps
